Our Product Owners will review your ideas monthly and you will be notified on any changes made to the status of your ideas. We will let you know personally once your idea has been scheduled.

Make sure you also vote on ideas that you want to see in the product, as we will take this into account when deciding on what ideas to implement.

If you have an immediate need for a feature please submit a Change Request instead.

### Short summary of idea\*

Ability to have menu for the footer

### Application/Area

General

### Description

Many of our clients have lots of links in the footer(currently hard coded in the interface etc), it will be great if we can define the menu for footer in the design panel, and then the footer menu can be controlled through menu builder
