Short summary of idea*
Enhancements to Infocapture "Automatic Changes"

Application/Area
Infocapture

Description
Hi there,

I note if you are trying to set a DATE type field in Automatic Changes, you can only set it to a fixed date. This would be really useful if we could set a date field to "the current date" or "XX days/weeks/months from now" (or in the past).

Would be great to have some more dynamism here...

Thanks

Mike
