Our Product Owners will review your ideas monthly and you will be notified on any changes made to the status of your ideas. We will let you know personally once your idea has been scheduled.

Make sure you also vote on ideas that you want to see in the product, as we will take this into account when deciding on what ideas to implement.

If you have an immediate need for a feature please submit a Change Request instead.

Short summary of idea*

Add Date Created and Date Last Modified as fields that can be specified in Field Condition Sets

Application/Area

Infocapture

Description

Currently the only header fields available to create a Field Condition Set against are "Status" and "Assigned".

Would be great if we can also have Date/Time Created and Date/Time Last Modified here, so can set a notification based on how long the ticket has been open or how long since it was last updated....

Thanks

Mike
