Ability to Order Projects/Forms in IC

Application/Area

Infocapture

Description

Right now there is no way to manually order the projects/forms in IC without changing project names, they are just sorted alphabetically.

It would be nice to have a way to manually organize these - or at least more options for automatic sorts.

For example if you create 7 projects, one for each day of the week, they will get ordered "Friday, Monday, Saturday, Sunday, Thursday, Tuesday, Wednesday" - which isn't very convenient or sensical.
