Our Product Owners will review your ideas monthly and you will be notified on any changes made to the status of your ideas. We will let you know personally once your idea has been scheduled.

Make sure you also vote on ideas that you want to see in the product, as we will take this into account when deciding on what ideas to implement.

If you have an immediate need for a feature please submit a Change Request instead.

Short summary of idea*

Allow support of xAPI (Tin can) Courses for E-Learning

Application/Area

Learning

Description

Adding support for xAPI (TIn Can) courses would expand the possibility of courses that we could pull into the LMS and help us develop a more robust E-learning program. We are currently limited to SCORM options.
