Our Product Owners will review your ideas monthly and you will be notified on any changes made to the status of your ideas. We will let you know personally once your idea has been scheduled.

Make sure you also vote on ideas that you want to see in the product, as we will take this into account when deciding on what ideas to implement.

If you have an immediate need for a feature please submit a Change Request instead.

Short summary of idea*

Sync Calendar "Out of Office" with Who's Out

Application/Area

Calendar

Description

Our staff go out for meetings regularly and cannot use the Who's Out function as it only allows for am or pm, when they ideally need to put a set time for return. As such, we have now got rid of Who's Out and use just the Calendar.
