Our Product Owners will review your ideas monthly and you will be notified on any changes made to the status of your ideas. We will let you know personally once your idea has been scheduled.
Make sure you also vote on ideas that you want to see in the product, as we will take this into account when deciding on what ideas to implement.
If you have an immediate need for a feature please submit a Change Request instead.

Short summary of idea*
Select Display Type

Application/Area
OrgChart

Description
The current org chart does not work well for our organization.

We have managers with many direct reports and the horizontal display makes it essentially unusable for our company.

We would like to see the ability in the admin to select a vertical display type that would better work for organizations like ours that have larger numbers of direct reports.
