Our Product Owners will review your ideas monthly and you will be notified on any changes made to the status of your ideas. We will let you know personally once your idea has been scheduled.
Make sure you also vote on ideas that you want to see in the product, as we will take this into account when deciding on what ideas to implement.
If you have an immediate need for a feature please submit a Change Request instead.

Short summary of idea*
Easily convert a course with modules to a learning path

Application/Area
Learning

Description
It would be great if a course with modules could be easily converted into a Learning Path. We've set up some courses in the past, then realized they'd be better as learning paths, only to have to redo everything.

Thanks for considering!
