Our Product Owners will review your ideas monthly and you will be notified on any changes made to the status of your ideas. We will let you know personally once your idea has been scheduled.

Make sure you also vote on ideas that you want to see in the product, as we will take this into account when deciding on what ideas to implement.

If you have an immediate need for a feature please submit a Change Request instead.

Short summary of idea*

Move faster through documents (from preview screen)

Application/Area

Documents

Description

Is it possible to make a faster way to move through documents from the preview screen? Maybe arrows on the right and left so you do not have to back up to the parent folder every time?

Or, maybe an option for much bigger thumbnails?
