Our Product Owners will review your ideas monthly and you will be notified on any changes made to the status of your ideas. We will let you know personally once your idea has been scheduled.
Make sure you also vote on ideas that you want to see in the product, as we will take this into account when deciding on what ideas to implement.
If you have an immediate need for a feature please submit a Change Request instead.

Description

When an account gets blocked there is no way of knowing (without keeping a list) who it is that is blocked.

By displaying Blocked Account followed by (DomainName\FredBloggs) would solve this.

This will also help when staff have left to see who were given permissions
