Our Product Owners will review your ideas monthly and you will be notified on any changes made to the status of your ideas. We will let you know personally once your idea has been scheduled.
Make sure you also vote on ideas that you want to see in the product, as we will take this into account when deciding on what ideas to implement.
If you have an immediate need for a feature please submit a Change Request instead.

Short summary of idea*
Drag and Drop Folders into "Add Documents"

Application/Area
Documents

Description
It would be nice if there was a way to upload entire folders to the Documents Section. As of now that cannot be done.

I think it would greatly improve upload time for those of us with large quantities of files to upload.
