Our Product Owners will review your ideas monthly and you will be notified on any changes made to the status of your ideas. We will let you know personally once your idea has been scheduled.

Make sure you also vote on ideas that you want to see in the product, as we will take this into account when deciding on what ideas to implement.

If you have an immediate need for a feature please submit a Change Request instead.

Description

It would be nice if events with no more seats didn't show up in the Events widget. Or if we could have the option of displaying them or not displaying them.

It's a little sad to click on an event and find out it's full.
