Our Product Owners will review your ideas monthly and you will be notified on any changes made to the status of your ideas. We will let you know personally once your idea has been scheduled.

Make sure you also vote on ideas that you want to see in the product, as we will take this into account when deciding on what ideas to implement.

If you have an immediate need for a feature please submit a Change Request instead.

Add to My Google Calendar Button

Application/Area

Events

Description

Would be great to have a "add to my google calendar" button built in so users can automatically add the event to their own google calendar.
