Our Product Owners will review your ideas monthly and you will be notified on any changes made to the status of your ideas. We will let you know personally once your idea has been scheduled.

Make sure you also vote on ideas that you want to see in the product, as we will take this into account when deciding on what ideas to implement.

If you have an immediate need for a feature please submit a Change Request instead.

### Description

Buttons allows you to add tags, but buttons are not included in search results.

We use buttons to link to outside applications, it would be handy if they came up as an option when folks are searching for what they need.
