Our Product Owners will review your ideas monthly and you will be notified on any changes made to the status of your ideas. We will let you know personally once your idea has been scheduled.

Make sure you also vote on ideas that you want to see in the product, as we will take this into account when deciding on what ideas to implement.

If you have an immediate need for a feature please submit a Change Request instead.

Short summary of idea*

Ability to create folders for Buttons

Application/Area

Other

Description

The more people get used to Buttons, the more buttons they are accumulating, and for some, this means 100+ buttons.

This enhancement would allow users to create folders from the /buttons page, and allow users to move a button into a folder.
