Our Product Owners will review your ideas monthly and you will be notified on any changes made to the status of your ideas. We will let you know personally once your idea has been scheduled.

Make sure you also vote on ideas that you want to see in the product, as we will take this into account when deciding on what ideas to implement.

If you have an immediate need for a feature please submit a Change Request instead.

Organizational Chart

Application/Area

OrgChart

Description

Ability for employees to report to multiple managers. For example, we have many employees in our office that work for 2 or 3 different advisors - would be nice to see them show up on all the advisors teams - not just one of the advisors they work for since you can only choose one now.
