Our Product Owners will review your ideas monthly and you will be notified on any changes made to the status of your ideas. We will let you know personally once your idea has been scheduled.

Make sure you also vote on ideas that you want to see in the product, as we will take this into account when deciding on what ideas to implement.

If you have an immediate need for a feature please submit a Change Request instead.

Short summary of idea*

I would like to see how much storage we have on the site and how much of it is still available

Application/Area

General

Description

Currently we are unsure how much of the 100GB limit we have used, it would be beneficial for us to have access to this information without having to come via a support ticket.
