Our Product Owners will review your ideas monthly and you will be notified on any changes made to the status of your ideas. We will let you know personally once your idea has been scheduled.
Make sure you also vote on ideas that you want to see in the product, as we will take this into account when deciding on what ideas to implement.
If you have an immediate need for a feature please submit a Change Request instead.

Short summary of idea*
Ability to resize image on blog posts

Application/Area
Blog

Description
Currently, pictures on blog posts are very large and there is no option to resize. It would be nice to have the option to choose a size or for the image when uploading it in the creation of the blog post.
