Our Product Owners will review your ideas monthly and you will be notified on any changes made to the status of your ideas. We will let you know personally once your idea has been scheduled.

Make sure you also vote on ideas that you want to see in the product, as we will take this into account when deciding on what ideas to implement.

If you have an immediate need for a feature please submit a Change Request instead.

Short summary of idea*

Name of Badge searchable

Application/Area

Other

Description

Currently Badges are not searchable within the global search. We would like to see the name of the Badge be able to be searched.

We are planning to use the Badge feature as a way to indicate if someone is an Expert, if they have an accomplishment, or are a member of a committee. We would have multiple badges for each category, indicated by color.

It would be helpful if the badge name was searchable so someone could easily identify a user assigned a particular badge.
