Our Product Owners will review your ideas monthly and you will be notified on any changes made to the status of your ideas. We will let you know personally once your idea has been scheduled.
Make sure you also vote on ideas that you want to see in the product, as we will take this into account when deciding on what ideas to implement.
If you have an immediate need for a feature please submit a Change Request instead.

Short summary of idea*
Multiple name selection for tasks

Application/Area
Projects

Description
Some project tasks that I created needed to be completed by multiple people. As that is not an option right now, I had to make copies of the same project and assign things out that way. I just wondered if there would be an easier or more streamlined way of having that setup.
