Our Product Owners will review your ideas monthly and you will be notified on any changes made to the status of your ideas. We will let you know personally once your idea has been scheduled.

Make sure you also vote on ideas that you want to see in the product, as we will take this into account when deciding on what ideas to implement.

If you have an immediate need for a feature please submit a Change Request instead.

Short summary of idea*

Universal Contact List

Application/Area

People

Description

Allow for a universal contact list that is shared to all, without the user having to filter or select every time they need it. Similar to People it is a one-click list of important company numbers and information, for example branch numbers, fax numbers, group email addresses, etc.

Should also be search capable, both within the app and in general search like People.
