Our Product Owners will review your ideas monthly and you will be notified on any changes made to the status of your ideas. We will let you know personally once your idea has been scheduled.

Make sure you also vote on ideas that you want to see in the product, as we will take this into account when deciding on what ideas to implement.

If you have an immediate need for a feature please submit a Change Request instead.

### Short summary of idea\*

User being able to post anonymously

### Application/Area

### Description

We'd like our users to have the ability to post anonymously in the following components:

Discuss

Blogs

Forum

From time to time a user may want to post a comment or provide feed-back on an ongoing discussion, blog, or forum anonymously. By allowing this capability it could allow for more participation on certain subjects.

Thanks
