Our Product Owners will review your ideas monthly and you will be notified on any changes made to the status of your ideas. We will let you know personally once your idea has been scheduled.

Make sure you also vote on ideas that you want to see in the product, as we will take this into account when deciding on what ideas to implement.

If you have an immediate need for a feature please submit a Change Request instead.

Short summary of idea*

ROOM BOOKING APP UPDATE

Application/Area

Room Booking

Description

Please please consider implementing a feature where the room booking app does not allow users to submit a request for a room that is already submitted in pending mode. We are finding people are submitting the same requests because the 1st request is still pending by another user. It has been very complicating.

Let me know if that makes sense.

Thanks,

Kelsey Myers
