Our Product Owners will review your ideas monthly and you will be notified on any changes made to the status of your ideas. We will let you know personally once your idea has been scheduled.
Make sure you also vote on ideas that you want to see in the product, as we will take this into account when deciding on what ideas to implement.
If you have an immediate need for a feature please submit a Change Request instead.

Short summary of idea*
Different groups for assigning badges

Application/Area
Other

Description
It would be amazing if you could select groups of users when allowing people to assign badges.
That wat you could have institutional badges (part of a commitee, part of an ERG, etc.) that only the admin or HR could assign AND you could have more common day-to.day bages for leaders to assign to their teams, for example.
