Our Product Owners will review your ideas monthly and you will be notified on any changes made to the status of your ideas. We will let you know personally once your idea has been scheduled.

Make sure you also vote on ideas that you want to see in the product, as we will take this into account when deciding on what ideas to implement.

If you have an immediate need for a feature please submit a Change Request instead.

Short summary of idea*

Image size options: News, other

Application/Area

News

Description

The image for a news article is extremely large and takes up so much space on a page. It would be nice to be able to configure the size format of images at the top of news articles at least. It would probably be appealing to have this option for other apps as well that use cover images.
