Our Product Owners will review your ideas monthly and you will be notified on any changes made to the status of your ideas. We will let you know personally once your idea has been scheduled.
Make sure you also vote on ideas that you want to see in the product, as we will take this into account when deciding on what ideas to implement.
If you have an immediate need for a feature please submit a Change Request instead.

Short summary of idea*

Assign Policy Manager Permissions by Group in Category

Application/Area

Policy Manager

Description

Rather than having to assign policies to people one by one, which is incredibly laborious, it would be more efficient and helpful if permissions would be inherited by the category permissions that P&Ps are grouped under.
