Org Chart Customization

OrgChart

**Description**  
Each of our departments have approximately 15 people. Right now, the Org Charts show everyone on one continuous line. We would like to be able to edit that setting and choose 4 or 5 lines of photos per page. We need this to be printable, and the current design does not allow that. (too many people on one line, photos get too small).

If you could consider this change, it would be greatly appreciated. Thanks!
