Our Product Owners will review your ideas monthly and you will be notified on any changes made to the status of your ideas. We will let you know personally once your idea has been scheduled.

Make sure you also vote on ideas that you want to see in the product, as we will take this into account when deciding on what ideas to implement.

If you have an immediate need for a feature please submit a Change Request instead.

Short summary of idea*

Allow list view of news articles without images

Application/Area

News

Description

There are certain channels of news articles where images are not needed or applicable and all we want to see are headlines. There should be a view available without images.
