Our Product Owners will review your ideas monthly and you will be notified on any changes made to the status of your ideas. We will let you know personally once your idea has been scheduled.
Make sure you also vote on ideas that you want to see in the product, as we will take this into account when deciding on what ideas to implement.
If you have an immediate need for a feature please submit a Change Request instead.

Short summary of idea*
Show thumbnail of individual assets inside of folders in the Digital Assets app

Application/Area
Other

Description
The system doesn't really work well for stock photography - it would be ideal to preview a thumbnail next to each item in a folder instead of having to click to open to view
