Our Product Owners will review your ideas monthly and you will be notified on any changes made to the status of your ideas. We will let you know personally once your idea has been scheduled.

Make sure you also vote on ideas that you want to see in the product, as we will take this into account when deciding on what ideas to implement.

If you have an immediate need for a feature please submit a Change Request instead.

Short summary of idea*

Index external data source such as Dropbox

Application/Area

Documents

Description

Ability to do a search on the intranet, and for results from an external source (either DropBox or Google Drive) to appear. Clicking the link would open the location in the other system.
