Our Product Owners will review your ideas monthly and you will be notified on any changes made to the status of your ideas. We will let you know personally once your idea has been scheduled.

Make sure you also vote on ideas that you want to see in the product, as we will take this into account when deciding on what ideas to implement.

If you have an immediate need for a feature please submit a Change Request instead.

## Short summary of idea\*

Document sorting options - sort by most popular

### Application/Area

Documents

#### Description

It would be useful to have more options for ways users can filter through documents in the document component, sorting by "Most Popular" would be helpful since it could put the most commonly used documents in any directory to the top.
