Our Product Owners will review your ideas monthly and you will be notified on any changes made to the status of your ideas. We will let you know personally once your idea has been scheduled.

Make sure you also vote on ideas that you want to see in the product, as we will take this into account when deciding on what ideas to implement.

If you have an immediate need for a feature please submit a Change Request instead.

Short summary of idea*

Filter by tag for Knowledge Base articles in page component

Application/Area

Knowledge Base

Description

Right now I can only filter by category, but it would be useful to have options to drill down another level to tags as well.
