Our Product Owners will review your ideas monthly and you will be notified on any changes made to the status of your ideas. We will let you know personally once your idea has been scheduled.

Make sure you also vote on ideas that you want to see in the product, as we will take this into account when deciding on what ideas to implement.

If you have an immediate need for a feature please submit a Change Request instead.

# Short summary of idea\*

Ability to unenroll users from eLearning

### Application/Area

Learning

### Description

We would like the ability to unenroll users from eLearning. There are situations in which we would need to, such as if someone is no longer working at the company, someone was added to a course in error, they no longer need to take a certain course because of a roll change, etc.
