Our Product Owners will review your ideas monthly and you will be notified on any changes made to the status of your ideas. We will let you know personally once your idea has been scheduled.

Make sure you also vote on ideas that you want to see in the product, as we will take this into account when deciding on what ideas to implement.

If you have an immediate need for a feature please submit a Change Request instead.

Short summary of idea*

Character Countdown when limits are imposed

Application/Area

Events

Description

A content contributor was creating an event today with lots of detail. They added all the content, clicked submit and got an error message that they were beyond the character limit. We are not aware of what the limit is, so it's like a weird guessing game to see what will work or what will get rejected.
