Our Product Owners will review your ideas monthly and you will be notified on any changes made to the status of your ideas. We will let you know personally once your idea has been scheduled.

Make sure you also vote on ideas that you want to see in the product, as we will take this into account when deciding on what ideas to implement.

If you have an immediate need for a feature please submit a Change Request instead.

Short summary of idea*

Ability to .csv export announcement view report

Application/Area

Other

Description

Claromentis tracks and provides a list of people who view, or who acknowledge, announcements. It would be nice to be able to export these reports into excel. Various stakeholders would have interest in receiving these reports for various little compliance-driven announcements.
