Our Product Owners will review your ideas monthly and you will be notified on any changes made to the status of your ideas. We will let you know personally once your idea has been scheduled.

Make sure you also vote on ideas that you want to see in the product, as we will take this into account when deciding on what ideas to implement.

If you have an immediate need for a feature please submit a Change Request instead.

Short summary of idea*

Notifications for Announcements

Application/Area

Communication

Description

Would be good if you could also send a push notification for the announcement module, because for people who use it on mobile, they don't have it open all the time to see when something urgent has been sent!
