Our Product Owners will review your ideas monthly and you will be notified on any changes made to the status of your ideas. We will let you know personally once your idea has been scheduled.
Make sure you also vote on ideas that you want to see in the product, as we will take this into account when deciding on what ideas to implement.
If you have an immediate need for a feature please submit a Change Request instead.

Short summary of idea*

Have Announcement Drafts / Edit ability

Application/Area

Other

Description

Currently, there is no draft option for Announcements.
And, one can only edit an announcement if it a) hasn't reached publication date yet and b) doesn't include an acknowledgement requirement of users.

It would be nice to be able to edit announcements that have not yet reached publication date, in some way, regardless of whether it's setting includes an acknowledgement requirement.
