Our Product Owners will review your ideas monthly and you will be notified on any changes made to the status of your ideas. We will let you know personally once your idea has been scheduled.

Make sure you also vote on ideas that you want to see in the product, as we will take this into account when deciding on what ideas to implement.

If you have an immediate need for a feature please submit a Change Request instead.

Short summary of idea*

Move comments block - get more space for documents

Application/Area

Documents

Description

The comment block can be moved down the page so that it doesn't take up so much space, which is needed especially for Excel files.
