Our Product Owners will review your ideas monthly and you will be notified on any changes made to the status of your ideas. We will let you know personally once your idea has been scheduled.

Make sure you also vote on ideas that you want to see in the product, as we will take this into account when deciding on what ideas to implement.

If you have an immediate need for a feature please submit a Change Request instead.

Description

Move the button "Start tracking" to the top panel and make it more visible to interested users. Now it is not visible and no one uses it cause doesn't know that such functionality exists.
