Our Product Owners will review your ideas monthly and you will be notified on any changes made to the status of your ideas. We will let you know personally once your idea has been scheduled.
Make sure you also vote on ideas that you want to see in the product, as we will take this into account when deciding on what ideas to implement.
If you have an immediate need for a feature please submit a Change Request instead.

Short summary of idea*
Be able to post the same news article to more than one channel

Application/Area
News

Description
We sometimes have the need to post the same news article to more than one channel, to have it featured on different pages. It would be great if we could do this simply by selecting more than one channel to post to, instead of having to duplicate the article.
