Our Product Owners will review your ideas monthly and you will be notified on any changes made to the status of your ideas. We will let you know personally once your idea has been scheduled.

Make sure you also vote on ideas that you want to see in the product, as we will take this into account when deciding on what ideas to implement.

If you have an immediate need for a feature please submit a Change Request instead.

Short summary of idea*

People card view - add phone numbers

Application/Area

People

Description

Hi - could we add the landline and mobile numbers to the people card view rather than having to change to a list or run a Phone List view to get these ...there seems to a lot of white space in the cards - surely the numbers can be added ?
