Our Product Owners will review your ideas monthly and you will be notified on any changes made to the status of your ideas. We will let you know personally once your idea has been scheduled.
Make sure you also vote on ideas that you want to see in the product, as we will take this into account when deciding on what ideas to implement.
If you have an immediate need for a feature please submit a Change Request instead.

Short summary of idea*
Allow more descriptive space for Survey descriptions

Application/Area
Survey and Polls

Description
The amount of text currently allowed to describe a survey is very short. It would be nice to be able to provide full text with embedded links to docs or contacts, rather than have to put all of that into an email to users instead.

Also the descriptive field for describing questions is super short. It would be nice to be able to provide more text, etc.
