Our Product Owners will review your ideas monthly and you will be notified on any changes made to the status of your ideas. We will let you know personally once your idea has been scheduled.

Make sure you also vote on ideas that you want to see in the product, as we will take this into account when deciding on what ideas to implement.

If you have an immediate need for a feature please submit a Change Request instead.

Short summary of idea*

Allow greater image option for surveys

Application/Area

Survey and Polls

Description

Currently the only image size allowable for survey cover images is 480 x 288, it would be nice to be able to have alot more flexibility in what images we can upload. For instance, we are creating a survey to nominate peers for awards, and it's difficult to find an award image that is that short.
