Our Product Owners will review your ideas monthly and you will be notified on any changes made to the status of your ideas. We will let you know personally once your idea has been scheduled.

Make sure you also vote on ideas that you want to see in the product, as we will take this into account when deciding on what ideas to implement.

If you have an immediate need for a feature please submit a Change Request instead.

Short summary of idea*

User ability to add a document/link to a reply

Application/Area

Discuss

Description

It would be great for users to have the ability to add a document or link when they are replying to a comment. There is only an option at this time in the original comment, but not the reply.
