Our Product Owners will review your ideas monthly and you will be notified on any changes made to the status of your ideas. We will let you know personally once your idea has been scheduled.

Make sure you also vote on ideas that you want to see in the product, as we will take this into account when deciding on what ideas to implement.

If you have an immediate need for a feature please submit a Change Request instead.

Short summary of idea*

Add 'select all' button for Digital Assets bulk download

Application/Area

Other

Description

In the Digital Assets application, there is no 'Select all' function to bulk download the files. We need to select the files one by one. Is it possible to add it please? That would be incredible useful for us.
