Our Product Owners will review your ideas monthly and you will be notified on any changes made to the status of your ideas. We will let you know personally once your idea has been scheduled.
Make sure you also vote on ideas that you want to see in the product, as we will take this into account when deciding on what ideas to implement.
If you have an immediate need for a feature please submit a Change Request instead.

Policy Manager Page Widget

Application/Area
Policy Manager

Description
Allow note in new versions of policies to summarize changes to policy and then have page widget available to show policies, including new versions in chronological order including notes of updates made. Allows a summary of updates for associates to easily see when a policy has been updated without making mandatory.
