Our Product Owners will review your ideas monthly and you will be notified on any changes made to the status of your ideas. We will let you know personally once your idea has been scheduled.

Make sure you also vote on ideas that you want to see in the product, as we will take this into account when deciding on what ideas to implement.

If you have an immediate need for a feature please submit a Change Request instead.

### Short summary of idea\*

Announcements staying on page

### Application/Area

Other

### Description

It would be great if you could make an announcement stick to the top of the page for a determined amount of time.

Like you would see on websites - a small bar at the top with a text.

Can also be like the legacy announcements module, but just that announcements can be found back
