Our Product Owners will review your ideas monthly and you will be notified on any changes made to the status of your ideas. We will let you know personally once your idea has been scheduled.
Make sure you also vote on ideas that you want to see in the product, as we will take this into account when deciding on what ideas to implement.
If you have an immediate need for a feature please submit a Change Request instead.

Description

Some survey questions require lengthy explanations or examples in order to obtain the right responses from users. Current character limit on survey and questions description is too restrictive. This results in additional email, explaining how to do the survey, which can be missed or misunderstood.

I recommend at least 1024 characters.
