Our Product Owners will review your ideas monthly and you will be notified on any changes made to the status of your ideas. We will let you know personally once your idea has been scheduled.
Make sure you also vote on ideas that you want to see in the product, as we will take this into account when deciding on what ideas to implement.
If you have an immediate need for a feature please submit a Change Request instead.

Short summary of idea*
Birthday + Anniversary Widgets - see past 2-3 days as well as upcoming

Application/Area
People

Description
In the birthday and anniversary homepage widgets, we can only see today's and upcoming birthdays and anniversaries. If those occasions fall on a weekend, we may miss the opportunity to celebrate and it would be great to be able to scroll backwards a couple days to catch up.
