Our Product Owners will review your ideas monthly and you will be notified on any changes made to the status of your ideas. We will let you know personally once your idea has been scheduled.
Make sure you also vote on ideas that you want to see in the product, as we will take this into account when deciding on what ideas to implement.
If you have an immediate need for a feature please submit a Change Request instead.

Short summary of idea*

Create diverse skin-tone icon artwork for Badges

Application/Area

Other

Description

All of the icons in the Badges application that include people, are all pale colored or implying white people. It would be nice to have a set of icons that is more inclusive of the wide array of skin colors of peoples in our company / in the world.
